SUBJECT: Uniform Secrecy Agreement

REFERENCE: My Memo SECOM-D-713, dated 14 November 1979

In response to requests made at the 20 November meeting of the working group on secrecy agreements, attached is a draft paragraph to acknowledge responsibility for pre-publication review. This was prepared under the same circumstances as are specified in referenced memorandum. The attached language should be a new paragraph 5 of the draft agreement forwarded by reference, with the existing fifth and subsequent paragraphs renumbered.

5. I also agree to let the United States Government review any information concerning intelligence subjects or activities which I want to publish or speak about. I agree to let the government review this information before I talk about it or show it to anyone who is not permitted to have the designated Sensitive Compartmented Information. I will not publish or speak about the information until I get written permission from the government to do so. I understand that the reason for the government's review of this information which I want to publish or speak about is to be sure that it does not contain any of the designated Sensitive Compartmented Information.
